Mr. William E. Colby
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Colby:

I would like to take this opportunity to express my pleasure and that of the members of Attache Class 3-75 for the excellent series of briefings presented on the occasion of our visit to your Headquarters on 28 May 1975.

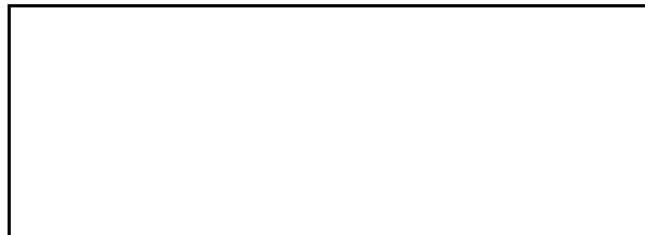

Especially noteworthy was the presentation entitled "Communication Support to Agency and Intelligence Community Operations Overseas" given by [] your Director of Communications. Topics of this nature are always well received by our attaches-designate, and this was no exception. Not only was the subject extremely interesting in itself, but it also served to provide our students with information vital to them in their future roles of Military Attaches.

In making available gentlemen such as [], you are significantly assisting not only the Defense Intelligence School, but the entire intelligence community in better preparing our people for a fruitful and productive overseas diplomatic tour. To you and your entire organization my sincere appreciation.

Sincerely,

W. J. Furnas
